PAST PROGRAMS

Dr. Daniel Terray of Terray Chiropractic Health Center of Old Saybrook addressed the club on August 15th. A former highly competitive gymnast, Dr. Terray now specializes in sports chiropractics. He follows in his father's footsteps in the business and now practices with his wife. Terray discussed biomechanics, conditioning and degenerative joint disease as problem areas associated with sports injuries. Dr. Terray, an avid golfer, offered his services for next year's club golf tournament to do a pre-tourney program on proper preparation and biomechanics to help avoid golf injuries.

HS1 Latonya Allen was recognized as **Service-Person-of-the-Month** on August 22nd. She is stationed at the United States Coast Guard Academy as a Health Service Technician. The Service-Person-of-the-Month program is sponsored by the Chamber of Commerce and Navy League. Denny Hicks, Director of Strategic Planning, and Meg Whitehead, Program and Events Coordinator, represented the Chamber of Commerce. Lena Blanch represented the Navy League and was their official photographer. Ms.

Allen's CO Captain Mark Getka, Chief of Medicine at the Academy, and Master Chief Niece also addressed the gathering. Mr. Hicks gave an overview of the program and noted that there are over five thousand enlisted personnel in southeastern Connecticut and the competition for this award is keen. On behalf of the Chamber, Hicks presented Ms. Allen numerous gifts donated by Chamber members. President Bob presented a \$100 Savings Bond, Certificate and club mug to our recipient. An engaging woman, who has been in the Coast Guard fifteen years, Ms. Allen thanked the club, Chamber and Navy League for the recognition.

On August 29th Attorneys **Lorraine Eckert** and **Patricia Farrell** along with **Dr. James Connolly** discussed Collaborative Divorce Law, a new concept in Connecticut. This new concept was presented as a tool to resolve conflict without the usual adversarial model and court. Financial experts, mental health professionals and coaches take an integral role in aiding the process. There is a penalty clause to keep the parties focused and on track. Properly utilized, this process should cut costs, stress and provide better solutions for the children in the short and long term.
