

Kiwanis Club of New London Application for Funding Instructions

The Kiwanis Club of New London is a service club dedicated to enhancing our community through hands-on service projects and financial contributions. Please keep in mind that we receive many requests each year. We can not fund every request. We do attempt to provide funds to causes that meet our funding criteria and the Objects of Kiwanis International. To help us evaluate your funding request we will use the following Kiwanis Club of New London Funding Criteria and Application form.

We may request that someone from your organization join us for lunch and briefly talk about your organization and what the funds will be used for. If funds are approved we may ask you to send us a report to share more about the success of this program.
